

Strathdale SC Animal Access Policy

GENERAL

Whilst we make every effort to be accommodating to all visitors, Local Council may put restrictions on where dogs and other animals may have access to our sporting facilities. As a community club, we must defer to council restrictions and requirements if an animal must be removed from the sporting facility.

Your animal must, unless it is exempt from this requirement, be under the effective control of a competent person at all times when out in public.

This means that the animal must be on a leash and under the control of someone capable of restraining it. A small child, for example, may not be able to control a large dog. Under these circumstances, an adult capable of restraining the dog, should walk the dog.
